3 Bedrooms | 2 Bathrooms | 1,721 Sqft

Welcome to this beautifully maintained 3 bedroom, 2 bath home in Walker, where comfort, functionality, and inviting outdoor living come together. Inside, the spacious living room welcomes you with hand scraped wood floors, a cozy corner fireplace, and an abundance of natural light from large windows overlooking the backyard. One of the home's most charming features is the dining area, where an oversized picture window fills the space with natural light and creates a beautiful setting for everyday meals and special gatherings. The kitchen is designed for both daily living and entertaining with granite countertops, a gas range, generous pantry, and a charming corner sink positioned beneath windows overlooking the front yard. The primary suite offers a relaxing retreat with an en suite bath featuring dual vanities, a separate shower, jetted tub, and two closets. The additional bedrooms provide comfortable space for family or guests, with built in storage above the closets for added functionality. A versatile mudroom located near the laundry room adds even more flexibility and can easily serve as a home office, hobby space, or convenient drop zone. Outside, the expansive covered patio overlooks the lush backyard and provides an ideal setting for morning coffee, weekend cookouts, or gatherings with family and friends. Another standout
