Welcome home to this charming home with an open floor plan designed for comfortable living and easy entertaining. Start your morning with breakfast on the backyard deck or enjoy your coffee at the dining table as natural light fills the space. The kitchen flows into the living room and features an eat-in bar with seating for three. The dining area can easily accommodate a table for 6. The cozy living room features a fireplace, computer nook, and TV mount, creating the perfect space for relaxing or enjoying your own home theater. The spacious primary bedroom can comfortably accommodate a king-size bedroom suite, with additional room for a small desk or reading nook. The primary suite also features dual closets and a private bathroom with dual vanities, a soaking tub, and separate shower. 3 additional rooms provide the flexibility to fit your lifestyle and can be used as bedrooms, a home office, exercise room, or hobby space. A full-size laundry room adds to the home's convenience. Step outside onto the deck and unwind while enjoying beautiful sunsets. The partially shaded, fully fenced backyard provides room to play, relax, or even grow a garden. There are no backyard neighbors and the storage shed remains. The roof is only 6 years old. This cozy and versatile home is ready to become the backdrop for new memories.
