4 Bedrooms | 3 Bathrooms | 2,396 Sqft

CENTRAL SCHOOLS! This stunning 4-bedroom, 3-bath home is packed with thoughtful upgrades, custom finishes, and the kind of details that make a house truly stand out! Featuring a triple-split floor plan, this home offers plenty of privacy along with a bright, open-concept living space. A dedicated office/mudroom adds flexibility for working from home, homework, or keeping everyday life organized. The heart of the home opens to an over-sized patio just steps to the lake, with an outdoor kitchen that is ready for game days and gatherings with a 5-burner gas grill, double-burner cooktop, and sink. Inside, you'll find quartz countertops in the kitchen and primary bath, a custom tile shower, floor outlets in the living room, gutters, built-ins in every closet, double attic access, and a built-in/slat wall in the attached storage room. Double ovens and a large walk-in pantry make preparing your holiday meals easy as pie! Custom bamboo window shades throughout the living, dining, and kitchen areas are included, along with blackout blinds in the primary bedroom. Don't miss the extras outside extra green space galore, custom stained-concrete landscape edging, soffit outlets, and Govee exterior lighting around the entire home make decorating for holidays and special occasions a breeze. Beautiful, functional, and loaded with upgrades you won't find in every newer
