Looking for space and flexibility?? This 1.26-acre rural property on dead end street offers plenty of possibilities with NO restrictions and mobile homes ARE allowed. Already in place is a 40x50 metal barn built in 2022, complete with water and electricity, making it ready for your RV, Workshop, storage, or hobbies. There is a 20 x 50 center section with RV hookups, and two additional sections on each side with roll up doors and one has another RV hookup. These are perfect for equipment storage, workshop space, vehicles, trailers, or other projects. Another bonus is the existing shared driveway, providing convenient access. With no restrictions and mobile homes being allowed, this property offers the freedom and flexibility that is hard to find! What a rare opportunity for this versatile property! Property currently has a septic tank but there is public sewer available.
