2-Acre Rural Property Private acreage, timeless finishes, and exceptional versatility come together in this beautifully maintained rural retreat. This inviting home is tucked away on approximately 2 wooded acres, accessed by a long gated driveway that creates a wonderful sense of privacy and seclusion. The fully fenced property offers plenty of room to enjoy the outdoors while the low-maintenance brick and stucco exterior and concrete flooring provide lasting practicality. Inside, warm rich colors, custom cabinetry, granite countertops, and thoughtful details create a comfortable, welcoming atmosphere. The standout feature is the nearly 600-square-foot vaulted ceiling workshop attached to the home an incredible space for a workshop, hobbies, equipment, storage, or a variety of other uses. This design adds versatility while keeping the main living spaces clean and functional. If you have been looking for acreage with privacy, a one owner custom built home, generous outdoor space, and a substantial attached workshop, this property delivers a rare combination of comfort and functionality. Peaceful country living with the convenience of a home designed for easy maintenance and everyday enjoyment.
