4 Bedrooms | 2 Bathrooms | 2,171 Sqft

This is a 4 bedroom, 2 full bathroom with an open living area and split bedroom design. The primary ensuite is located separately off of the large living room away from the other 3 bedrooms which are down their own hallway. The primary bathroom features a private water closet, a double vanity, a soaking tub, a separate shower, and a large walk-in closet. More of my favorites are the kitchen island, walk-in pantry, mud room with boot bench, covered front porch, covered rear patio, crown molding, recessed can lighting, granite countertops, undermount sinks, birch cabinets throughout, wood flooring in the living room and hall, ceramic tile flooring in all wet areas, decorative fireplace mantle with granite finishing. This home has a fully fenced yard complete with a shed. Better than new with 0% down payment financing and no flood insurance required.
