3 Bedrooms | 2 Bathrooms | 1,450 Sqft

Brand-new and never lived in, this three-bedroom, two-bath home greets you with a wide covered front porch that practically begs for rocking chairs and a cup of coffee. Inside, the kitchen anchors the main living area with crisp white shaker cabinets, new stainless appliances, quart countertops, and warm pendant lighting, and luxury vinyl plank flooring runs throughout. The primary bedroom sits off on its own side of the house with a private bath featuring double vanities and a separate dressing area with a walk-in closet. Set on a corner lot, this one comes with a new roof, new HVAC, new water heater, new everything, so there is no repair list waiting for you after closing.
