Opportunity awaits! Positioned along one of the main highway corridors leading towards Port Fourchon, this property offers excellent highway frontage in an area with a growing mix of residential and commercial activity. This lot features an existing slab and concrete parking lot, providing a great starting point for your future plans. Located within the levee protection system and conveniently situated near established businesses, services, and major employers along the bayou corridor. Even more opportunity lies right next door (1838 S Alex Plaisance Blvd)! The adjacent lot, featuring an existing commissary, is also available for purchase, and the sellers would love to see the properties sold together!
