4 Bedrooms | 2 Bathrooms | 2,860 Sqft

Located in the desirable Greystone Country Club, this 4-bed, 2.5-bath home features stained and scored concrete floors, triple crown molding, and a triple-split floor plan filled with natural light. In the kitchen you'll find custom-built cabinets, granite countertops and abundant counter space. There's also plenty of sitting room and a breakfast nook for a 4-6 seater dining table. The spacious primary bedroom overlooks the golf course and connects to an ensuite featuring double vanities, a freestanding soaker tub, a separate walk-in shower, and a massive walk-in closet complete with built-ins. The other bedrooms have crown moulding and plantation blinds with a Jack-and-Jill style bathroom located between them. Outside there's a fully covered pergola, a covered patio, and an in-ground pool, all overlooking the golf course. Upgrades worth mentioning include a new roof and whole-house generator, a professionally landscaped yard with an irrigation system, and security cameras for added peace of mind. Showings are easily accommodated, schedule yours today!
