3 Bedrooms | 2 Bathrooms | 1,511 Sqft

Situated within the highly-regarded Zachary Community School District, this meticulously maintained, carpet-free, detached home in the Windwood Subdivision offers a harmonious blend of classic architectural design and contemporary efficiency. Sunlight streams through a grand arched window into the formal dining room, setting an inviting tone that carries seamlessly into an expansive kitchen crafted for effortless meal preparation and daily gatherings. The central living area features soaring nine-foot and ten-foot ceilings, durable ceramic tile and hardwood flooring, and a cozy wood-burning fireplace equipped with integrated Bose surround-sound wiring. Quiet relaxation awaits in the primary bedroom suite, which boasts a generous walk-in closet, a standalone shower, and a soothing tub. Stepping outside, the property encompasses a beautifully proportioned lot highlighted by a covered rear patio, an attached two-car garage, and a fully fenced backyard secured by a wrought-iron entrance gate. Peace of mind comes standard, as the residence sits entirely within the low-risk Flood Zone X and has no history of flooding. Adding exceptional long-term value, this eco-friendly home features an advanced solar panel system that the seller will have completely paid off prior to closing, allowing the next owner to enjoy immediate utility savings.
