3 Bedrooms | 2 Bathrooms | 1,509 Sqft

Welcome home to this charming property in the heart of Walker! This beautifully maintained 3-bedroom, 2-bath home is freshly painted throughout with beautiful updates and plenty of space to enjoy both inside and out. The updated kitchen features butcher block countertops, ample cabinetry, and a spacious island. The dining area features soaring ceilings and an impressive arched window that adds character and charm. The living area offers beautiful wood flooring and a cozy fireplace. The primary suite features an en-suite bathroom with a separate shower, along with his and her closets complete with built in shelving. Step outside to enjoy the extended covered patio, perfect for relaxing or entertaining, with a designated fire pit area for evenings outdoors. The fenced backyard provides plenty of room for pets, play, gardening, or simply enjoying your own private outdoor space. The property also features a dedicated office space, located off the carport ideal for working from home, a hobby room, or additional workspace. Enjoy peace of mind knowing the roof is only 4 years old. Located just minutes from schools, I-12, shopping, restaurants, and everyday amenities, this home offers both comfort and convenience in a centralized location. Come see all this home has to offer!
