ROCKFORD PLACE SUBDIVISION! Enjoy this spacious 4BR/2.5 BA home in established subdivision. The entrance has nice foyer space with opening to formal dining area. The Living Room has built-in cabinets on each side of the wood burning fireplace and windows to overlook the back yard. The kitchen is spacious with breakfast area, electric cooktop, refrigerator, and wall oven. Located off the kitchen is laundry space and 1/2 bath. The PRIMARY SUITE offers recessed ceiling, 2 walk in closets, 2 separate vanities, soaking tub and job built shower. With 4 bedrooms, generous living spaces, a no-carpet interior, great storage, and workshop, this home has so much to offer.
