Welcome to this beautiful 3 bedroom, 2 bath home in Jamestown Crossing, where custom craftsmanship, and exceptional indoor-outdoor living come together on a large, beautifully landscaped lot. The home features distinctive details throughout and provides an inviting setting for both everyday living and entertaining. It all begins with the beautiful entry to the open-concept kitchen, living, and dining area which is ideal for gathering. The kitchen features quartz countertops, stainless steel appliances, gas range, a large island, and striking jewel-toned cabinetry, while the living room offers custom built-ins, beautiful wood shelving, and a gas fireplace. Wood-like tile flooring flows throughout the home. The private primary suite includes a spacious bath with a separate shower and luxurious soaking tub. Additionally, a dedicated office or craft room provides flexible space, while the custom mud room and laundry room offer excellent organization with built-in shelving and storage. Outside, the covered patio extends the living space with a well-appointed outdoor kitchen featuring a grill, built-in refrigerator and storage. The fenced, beautifully landscaped backyard provides a private setting for relaxing or entertaining. With its exceptional indoor-outdoor living, custom finishes, flexible spaces, this home is truly special.
