Loved by one family for many years, this is the kind of property that carries a story with it - and now it's ready for someone new to make it their own. Sitting on approximately 3.4 beautiful acres, the home has been incredibly well cared for and offers a comfortable, functional layout. This home is move in ready but also a canvas waiting for its next buyer to make it their own. There is already plenty to love including a new whole - house generator, newer A/C unit, and a large shop with room for projects, equipment, hobbies, and storage. This is an opportunity to write a new chapter with this beautiful property in Central.
