3 Bedrooms | 2 Bathrooms | 1,865 Sqft

This three-bedroom, two-bath home in Donaldsonville has been renovated and is turn-key, ready for its next chapter. Off the porch, a foyer opens into a formal living and dining room, plus an eat-in kitchen with a breakfast area and den. Custom built-in storage and accent walls give the living and dining space some balance and character. The kitchen has new appliances, new hardware, granite counters, and fresh paint, with new lighting and new windows throughout. Laminate floors run through the home for warmth and durability. There's a 2-car garage and a 2-car carport, plus plenty of outdoor storage. The home sits on TWO LOTS, so there's real room to spread out under the mature canopy of shade trees deep roots, in a town with some of its own. Make an appointment today and call this one home before the summer ends.
