3 Bedrooms | 2 Bathrooms | 1,952 Sqft

Welcome home to this beautifully maintained 3 bed, 2 bath home offering nearly 2,000 sq ft of living space on 4 cleared and fenced acres! Inside, you'll find fresh paint, a spacious open, split floorplan, a kitchen with custom cypress cabinets and stainless steel appliances, and two beautifully updated bathrooms. The home also features a whole-house generator, offering added convenience and peace of mind when you need it most. The primary suite is a standout, featuring a gorgeous renovated bath with a large soaking tub, custom tiled walk-in shower, updated vanity, walk-in closet and modern finishes. Just off the primary bedroom is a bonus area that could be used for an office, workout space or an additional walk-in closet. Outside is where this property really sets itself apart! The impressive 40x40 metal shop sits on a concrete slab and features electricity plus four roll-up doors, including two electric doors perfect for a workshop, equipment, recreational vehicles, or extra storage. With 4 cleared acres fenced around most of the property, there's plenty of room to enjoy the outdoors while still having the space and functionality so hard to find. Updated, spacious, move-in ready, and complete with a shop that's sure to impress! This property has so much to offer. Schedule your showing today!
