3 Bedrooms | 2 Bathrooms | 2,095 Sqft

Built for living and loved for generations. Tucked away on a cul-de-sac and situated on 0.89 acres, this 3-bedroom, 2-bath home offers 2,095 square feet of living area and an impressive 4,447 square feet under roof. This home features a new roof, new HVAC system, and a Generac generator installed in 2021 for added value and peace of mind. The generous living space and expansive, uniquely designed covered patio provide plenty of room to enjoy life both indoors and out. This home offers something increasingly hard to find: space, character, functionality, and heart. The memories made here have been permanently imprinted on the hearts of those who called it home, and now this special home is ready for its next owners to fill it with memories of their own.
