4.83 ACRES WITH A FIXER-UPPER HOME BRING YOUR VISION! If you're looking for acreage and a home to make your own, this could be the opportunity you've been waiting for! Situated on 4.83 acres, this property offers plenty of room to enjoy the outdoors, create your own homestead, or explore the possibilities that come with owning land. The brick home features wood accents along the front, a welcoming porch, 3 bedrooms (no closets), and 2 bathrooms. Inside, you'll find a wood-burning fireplace that adds character and warmth. The metal roof is approximately 5 years old, and the central HVAC system is approximately 2 years old. The home is a fixer-upper and ready for someone with a vision to bring it back to life. Whether you're looking for a project home, an investment opportunity, or a place with acreage to call your own, this property offers plenty of potential. Come see what 4.83 acres and a little vision can create!
