4 Bedrooms | 2 Bathrooms | 1,949 Sqft

PROPOSED CONSTRUCTION by Trinity Construction Group, Inc.! This thoughtfully designed custom home offers 4 BR, 2.5 BA & an open floor plan blending luxury, comfort & functionality. Buyers may select premium finishes according to builder allowances & construction stage. Signature features include tall ceilings, crown molding throughout most rooms, custom cabinetry, 3 cm slab granite or quartz countertops & durable vinyl plank flooring throughout NO CARPET! The chef-inspired kitchen will showcase an impressive 10 island, abundant pot drawers, generous cabinetry & an oversized walk-in pantry while opening seamlessly to the dining & living areas. A sleek electric fireplace creates a stylish focal point in the living room. The private primary suite offers a spa-like bath featuring a freestanding soaking tub with shiplap backdrop, oversized custom-tiled shower with rain showerhead, dual vanities, private water closet & spacious walk-in closet with built-in chest of drawers and convenient access to the laundry room. BRs 2 & 3 are generously sized with exceptionally large walk-in closets. The versatile 4th BR includes a closet and may also serve as an office, hobby room or guest space. The smartly designed guest bath provides separate 4 vanity & commode areas on each side of a shared tub/shower room. Enjoy outdoor living on the
