4 Bedrooms | 3 Bathrooms | 2,893 Sqft

Located in the established Old Jefferson Subdivision, this spacious 4-bedroom, 3-bath home offers a flexible floor plan, generous living spaces, and an outdoor entertaining area that truly sets it apart. Conveniently located near Woman s Hospital, shopping, dining, and everyday amenities, the home combines space and convenience in a central location. Inside, you ll find two separate living areas, providing plenty of room for entertaining, relaxing, or creating a game or media room. The kitchen features granite countertops, abundant cabinetry, stainless appliances, a large center island with seating, and an open connection to the surrounding living spaces. A separate dining area with a brick fireplace adds warmth and character. The primary bedroom includes an en suite bath highlighted by an impressive custom-built tile shower with multiple showerheads and a built-in bench. With four bedrooms and three full baths, the layout offers flexibility for family, guests, a home office, or hobby space. Outside is where this property really stands out. The backyard features a large covered outdoor bar and entertainment area, creating a fun, one-of-a-kind space for gatherings, game days, crawfish boils, or simply relaxing with friends. Mature trees, established landscaping, and additional yard space complete the setting. With two living areas, four bedrooms,
