RARE FIND IN THE HEART OF CENTRAL! Come check out this beautiful 4bd/2.5bth in the desirable Comite Hills Subdivision! When you step into this gorgeous home you are greeted with an oversized foyer area which opens up into the large living room area complete with exposed brick wall, wood burning fireplace, and cathedral ceilings. The kitchen features a precious coffee nook area and breakfast bar, with lots of counter and cabinet space, shiplap walls, open shelves, Quartz countertops and double oven with quick preheat. The kitchen flows into the spacious dining room area and the den area, perfect for an office, entertaining or kids play area. The laundry room and half bath are located off the kitchen area and the half bath has outside access. The primary bedroom is very large and features an en suite bath with Quartz countertops and a HUGE soaker tub. Also there is outside access in the primary bedroom as well. The additional 3 bedrooms are very nice in size as well and two bedrooms have built in desk areas. All interior doors are brand new. NO carpet throughout the home; NO flood zone; ROOF is 1 year old; A/C is newer; Central Schools - fenced in dog yard, nice big covered front porch with haint blue ceiling and solid wood columns, large covered patio area on back perfect for gathering and entertaining. Large lot size by cul-de-sac and so
