Turnkey, Updated & Waiting on YOU! Sometimes you're not looking for a house that needs a long list of projects you want one where the work has already been done, the keys are ready, and all that's left is for you to make it HOME. Welcome to this beautifully updated 4-bedroom, 2-bath home offering the perfect combination of comfort, space, and fresh updates. With a slightly open-concept layout, there's plenty of room to gather, entertain, cook, and still enjoy your own space. And when I say TURNKEY, I mean it! This home has received its own little mini remodel with new flooring throughout, fresh paint throughout, and newly installed appliances giving the next owner a fresh start without having to do all the work themselves. Outside, you'll find a nice-sized yard ready for the babies to play, the dogs to run, weekend cookouts, or whatever your vision may be. Add in the convenience of a two-car garage, and this one checks even more boxes. It's fresh. It's updated. It's move-in ready.
