Welcome to 334 Taylor James Way, a spacious waterfront home tucked away in the Hidden Meadows section of Caro Estates in Bayou Blue. Offering just under 2,500 square feet of living space, this thoughtfully designed home combines generous indoor living with an outdoor setup made for enjoying South Louisiana life. Originally designed as a four-bedroom home with a dedicated office, the flexible floor plan allows the office to easily function as a fifth bedroom, giving you plenty of room for a growing household, guests, or working from home. The interior also features three full bathrooms, a formal dining room, and a spacious open-concept kitchen and living area. A convenient drop zone off the garage adds everyday functionality, while the oversized garage, one of DSLD's larger garage designs, provides plenty of additional storage and usable space. Outside is where this property truly stands apart. The backyard sits directly on the pond with a fully bulkheaded property line and covered deck, creating a beautiful place to relax and enjoy the water. A screened-in patio extends the living space outdoors, while additional concrete and backyard access provide room for boat parking, recreational equipment, or additional vehicles. The courtyard-style garage creates an expansive driveway with ample parking and even enough open concrete to set up
