3 Bedrooms | 1 Bathroom | 1,400 Sqft

There is so much more here than just a 3-bedroom home! In addition to the house, this property offers a large workshop, an extra-large carport with plenty of room for multiple vehicles, boats, or other equipment, plus a bonus building complete with a kitchen and bathroom. The additional building offers endless possibilities and could be used as a studio apartment, home business, mancave, guest space, or whatever fits your needs. With multiple buildings and plenty of covered and enclosed space, this property offers room for hobbies, projects, storage, work, or additional living space. Come see all the possibilities this property has to offer!
