4 Bedrooms | 3 Bathrooms | 6,741 Sqft

Some properties simply cannot be compared, and this is one of them. Set on 2.9 acres with approximately 6,741 sq ft of fully renovated living space, this one-of-a-kind estate brings together exceptional craftsmanship, incredible functionality, and amenities rarely found all in one property. Offering 4 spacious bedrooms, 3 full baths, and 3 half baths, the home is filled with custom details and thoughtful upgrades throughout. From the moment you arrive, the long driveway leads to generous parking, including additional space for guests or service vehicles, with access extending to the main home, barn, and tennis court. Inside, multiple living and gathering spaces give you room to spread out while still feeling connected. Real wood floors, wood beams, paneled walls, brick accents, custom lighting, French doors, and custom windows add warmth and character throughout. The media/game room includes a built-in desk or computer nook, cabinetry, shelving, and even a built-in water fountain. A large sunroom fills the home with natural light and offers peaceful views of the surrounding property. The first-floor primary suite is truly a retreat, featuring a spa-style bathroom and expansive closet with a custom built-in carousel clothes system. At the heart of the home is a commercial-grade kitchen designed to handle everything from everyday meals to
