3 Bedrooms | 2 Bathrooms | 1,653 Sqft

LIKE-NEW FROM THE GROUND UP! Sitting on almost an acre, this beautifully renovated 3-bedroom, 2-bath home offers 1,653 square feet of thoughtfully updated living space with virtually everything new! Taken down to the studs and rebuilt with quality and attention to detail, this home offers the peace of mind of a new construction feel without the new-construction wait. Major updates include new electrical, new plumbing, new HVAC, new roof, new flooring, new cabinets, instant hot water heater, upgraded insulation, and Boracare treatment. The gorgeous interior features huge front windows welcoming the natural light and highlighting the warm-toned luxury vinyl plank flooring throughout, beautifully appointed kitchen and bathrooms, and modern finishes. The stunning kitchen showcases quartz countertops, a large island, floor-to-ceiling cabinetry, and a gorgeous subway tile backsplash, creating a space that is both stylish and functional. The primary suite is a true retreat, featuring a massive walk-in closet and a beautifully tiled walk-in shower that brings a touch of luxury to the primary bathroom. Quartz countertops and upgraded finishes continue into the bathrooms. With too many updates and upgrades to list, this home truly needs to be seen to appreciate the level of renovation and attention to detail. No flood insurance
