4 Bedrooms | 2 Bathrooms | 1,831 Sqft

Welcome to this beautifully maintained 4-bedroom, 2-bath home that has been lovingly cared for by its original owner. From the moment you step inside, you'll find a comfortable and functional layout with a desirable split floor plan and multiple spaces for everyday enjoyment and entertaining. The spacious living room serves as the heart of the home and features a gas log fireplace, creating a warm and inviting space to relax and gather. The living room flows easily into the kitchen, where bar seating provides a casual place to gather. A separate breakfast area is perfect for everyday meals, while the formal dining room offers additional space for dinners, holidays, and special occasions. The primary suite provides a private place to unwind and features dual vanities, a garden soaking tub, separate shower, and ample closet space. Three additional bedrooms and a second full bath provide plenty of room for family, guests, a home office, or whatever best fits your needs. The thoughtful floor plan creates a nice balance between the home's living spaces and bedrooms without sacrificing functionality. Outside, the covered patio extends the living space and provides plenty of room for relaxing, outdoor dining, entertaining, or simply enjoying a quiet morning at home. The roof is only 5 years old, adding to the home's appeal and providing peace of mind for its
