4 Bedrooms | 3 Bathrooms | 2,993 Sqft

Welcome home to this beautifully maintained 4-bedroom, 3-bath home located in the highly desirable Greystone Golf & Country Club community. Offering spacious living, elegant finishes, and incredible outdoor views, this home is designed for both comfortable everyday living and entertaining. Step inside through the large, welcoming foyer and into an open-concept floor plan featuring beautiful travertine flooring throughout the main living areas. The spacious living room is anchored by an elegant fireplace and flows effortlessly into the kitchen and dining spaces. With both a formal dining area and a charming breakfast nook, there is plenty of room for everything from special occasions to casual meals. The beautifully appointed kitchen features custom white cabinetry, a 6-burner gas range, wall oven, abundant counter space, and a large eat-at island perfect for gathering. Just off the kitchen is an additional sitting area, creating a comfortable space to relax while staying connected to the heart of the home. The spacious primary suite offers its own private sitting area and an impressive en-suite bath complete with a huge soaking tub, custom tiled shower, and plenty of room to unwind. The additional bedrooms are generously sized and feature plush carpeting for added comfort. Outdoor living is just as impressive! Entertain with ease at the outdoor
