3 Bedrooms | 2 Bathrooms | 1,080 Sqft

Built in 2020 and located in the Zachary Community School District, this 3 bedroom, 2 bath home sits on more than a quarter acre in Pleasant Park. A metal roof and PEX plumbing mean less to maintain for years to come. The open floor plan connects a spacious kitchen with ample cabinet storage to the living area, and a split bedroom layout places the primary suite on one end with two bedrooms and a full bath on the other. The primary bath offers a garden tub, a separate shower, and a walk-in closet. No carpet in the living areas. Central air serviced in 2026. Public water and public sewer, no septic to maintain. The refrigerator, dishwasher, and oven stay with the home. No HOA. Flood Zone AE, but the home is raised and an elevation certificate is on file. The adjacent property at 3840 N Row is also available, a rare chance to buy two homes side by side. Call to schedule your showing.
