4 Bedrooms | 2 Bathrooms | 2,042 Sqft

Welcome home! This spacious 4 bedroom 2 bath home has everything you need to feel right at home. Enjoy cooking family meals while entertaining guests in the family room or neighboring formal dining room. There is a separate office/study off of the dining room, a large laundry room with tons of space for storage, and an oversized covered patio for any style of outdoor living. Heating and cooling costs are low and so is the flood insurance. Elevation certificate on hand to support elevation work. Carport parking is available under the home with a 7.5ft clearance and additional storage space is attached to the patio. This home has plenty of space, versatility and charm for any family. Bring your decorations and make this home yours for the holidays.
