4 Bedrooms | 3 Bathrooms | 3,160 Sqft

This beauty has oversized rooms and classic style. The 500 square foot sunroom overlooking the beautifully landscaped backyard is the showstopper! Beautifully maintained 4-bedroom, 3-bathroom home with over 3,160 sq ft of comfortable living space. The sunken living room creates a cozy vibe, while the formal dining room shines with crown molding and natural light. There's a private bedroom and bath downstairs; the primary suite with its huge bathroom is on the second floor, along with the laundry. The sunroom overlooks an amazingly landscaped backyard with fruit trees, lighting, and a privacy fence. There's also a shed and a whole-house generator, with built-ins in the garage. So much to see-schedule your viewing right away!
