Rare opportunity in the coveted Hidden Meadows Subdivision of Bayou Blue! This is the last available lot in its cul-de-sac, offering a unique opportunity to build in an established neighborhood with very limited remaining inventory. The property offers street access from both the front and rear, providing added flexibility when planning your homesite, driveway, garage, workshop, or outdoor space. The lot is already fenced on three sides, including wrought iron fencing along two sides. Located in Flood Zone X, with no flood insurance required by the lender based on current flood-zone designation. The spacious lot provides plenty of room to design a home and outdoor space that fits your vision. Bring your plans and build where opportunities like this don't come along often. Buyer to verify measurements, building restrictions, utilities, flood-zone designation, and all information deemed important prior to purchase.
