5 Bedrooms | 3 Bathrooms | 4,418 Sqft

If you've been searching for a home with serious space, flexibility and room to entertain, 905 Sinbad St deserves a look! Offering 5 bedrooms, 3 full bathrooms and approximately 4,418 square feet of living space, this home gives you the kind of room that's hard to find. The oversized living room provides plenty of space to gather, while the spacious kitchen and dining area make everyday meals and entertaining easy. A dedicated office, large utility room and generous storage add functionality, and the additional upstairs living area gives you even more options for a game room, media room, hobby space or second living area. The spacious primary suite also features its own sitting or office area and walk-in closet. Outside, the half-acre corner lot gives you room to enjoy without feeling crowded. Abundant covered parking plus additional driveway parking means there's plenty of space for multiple vehicles. The back patio is ready for weekend cookouts, crawfish boils, entertaining or simply relaxing at home. You'll also appreciate the heated and cooled interior storage room for even more usable space. With 5 bedrooms, multiple flex spaces, over 4,400 square feet, ample parking and a spacious corner lot, this home offers the room and versatility to fit a variety of needs. Come see just how much 905 Sinbad St has to offer!
