No expense was spared in construction of this 1-yr old CUSTOM BUILT luxury home. From the moment you enter, you'll notice exceptional craftsmanship, upscale finishes & meticulous attention to detail throughout. Perfectly blending sophistication, comfort & timeless style, this gorgeous home is set on over 6 ACRES, highlighted by a magnificent LIVE OAK and a fully stocked 2.5 acre POND. Expansive walls of windows frame breathtaking water views, filling the home with natural light. Luxury features from the things you see, like the 24KW liquid-cooled generator & air-conditioned garages, to features not as obvious like premium drainage with gutters draining to catch basins away from the home, class 4 roof shingles & a dumb-waiter to the attic. Designer lighting & hardware, curated wallpaper, rich wood flooring, antique beams & so much more make this home a showcase! The chef's kitchen with a commercial-grade gas stove, premium built-in refrigerator, elegant quartz countertops, dual dishwashers, wine fridge & a butler's pantry with tons of built-ins. The split floorplan ensures privacy for the primary suite & overlooks the serene pond. You can get lost in the oversized primary bathroom that was thoughtfully designed with a unique layout to feature split vanities, huge closets with built-ins, walk thru shower & even 2 toilets.
