This is a 2021 mobile home on 3.3 acres in Gibson and it is ready to live in. There is little to no work needed. You can move in or rent it without a big rehab. The home is only a few years old and sits on a solid piece of land along Bayou Black Drive. You get room to park, store stuff, and actually have some space around you. That is hard to find with a newer home already in place. Gibson is quiet country living with easy access to Highway 90 and Houma for work and errands. You are in the Bayou Black area so hunting, fishing, and the bayou lifestyle come with the location. Good fit if you want a newer mobile home on acreage that does not need a ton of work.
