5+ acres in a quiet, established St. Francisville neighborhood, just minutes from West Feliciana schools. This unique property offers a peaceful country setting with mature trees, including beautiful live oaks, and Barrow Fork Creek along the rear property line. The sandy-bottom creek and wooded area create a natural backdrop with plenty of privacy and wildlife. A previous home and large structure have been removed, with some retaining walls and site work remaining for potential future use. Additional dirt work and site development will be needed. Bring your plans and create your own private retreat! Residential, recreational, or agricultural use only. New construction required; no mobile homes or commercial activity permitted.
