3 Bedrooms | 2 Bathrooms | 1,792 Sqft

Completely remodeled and thoughtfully updated, this 3-bedroom, 2-bath home in the heart of Denham Springs combines modern style, energy efficiency, and thoughtful details throughout. Step inside through the spacious, welcoming foyer and into an open-concept layout designed for both everyday living and entertaining. The large den is a standout with soaring cathedral ceilings, a beautiful real-brick fireplace, and built-in bookcases accented by lighting. The updated kitchen features beautifully finished soft-close cabinetry and drawers, glass-front cabinets with interior lighting, and under- and above-cabinet lighting that adds warmth and ambiance. Soft-close cabinetry continues throughout the home, reflecting the attention to detail put into the remodel. You'll also appreciate the exceptionally spacious bedrooms and beautifully updated bathrooms. Energy-efficient improvements include spray-foam insulation, updated thermostats, and energy-efficient lighting. The spray-foam insulation provides exceptional temperature control even during hurricane-season power outages, the home has historically taken more than 24 hours to rise above 70 F. The AC is regularly serviced by AccuTemp, and the active service contract will transfer to the new owners. The primary bathroom also has a transferable warranty with documentation
