6 Bedrooms | 3 Bathrooms | 3,463 Sqft

Welcome home to this spacious 6-bedroom, 3.5-bath property situated on an oversized lot and designed with both comfort and functionality in mind! The home features a second primary bedroom that offers incredible flexibility and could easily serve as a mother-in-law suite, guest retreat, or private living space. A dedicated office provides the perfect spot for working from home. The kitchen is beautifully appointed with granite countertops, rich wood cabinetry, a gas stove, pot filler, double ovens, and plenty of space for cooking and entertaining. The living area is filled with natural light and centered around a beautiful brick fireplace with gas. Built-in shelving adds both character and convenient storage. Additional features include LVP flooring, a mudroom, walk-in closets in every bedroom, and crown molding throughout the living area and primary bedroom. For added convenience and peace of mind, the home is equipped with a whole-house generator. AT&T Fiber is also available, making high-speed internet easily accessible. With six bedrooms, multiple living possibilities, an oversized lot, and an impressive list of amenities, this home offers the space and versatility you've been looking for!
