39.5 ACRES! MAIN HOME + CABIN + 1,300 SQ. FT. SHOP + POND + CREEK! Escape to the country and enjoy privacy, space, and the beauty of nature on this 39.5-acre property. The property features a metal-frame double layered roof and sides home with a brick front, separate cabin, 1,300 square foot shop with electricity, storage shed, pond, creek, fenced front and back yards, and a beautiful long driveway leading to the home. The main home features a welcoming covered front porch overlooking the front yard, where you can relax and enjoy watching the deer. The kitchen offers an abundance of cabinets and counter space, a large island with electric cooktop, oversized L-shaped bar, and double wall ovens. The refrigerator, washing machine, and dryer will remain. Real wood support beams add character throughout the home. The living room and upstairs ceilings have been updated with bead board, and VLP flooring provides easy maintenance. The first floor includes a bathroom with a walk-in shower. Upstairs are two bonus rooms, with one currently being used as a bedroom and the other as a large closet. Both rooms offer flexibility for additional sleeping space, an office, hobby room, or storage. The upstairs bathroom has been updated with a walk-in shower and double vanity. There is a woodburning stove that will heat the whole home.
