4 Bedrooms | 2 Bathrooms | 1,761 Sqft

Welcome to this beautifully updated 4-bedroom, 2-bath home in the Iberville Terrace subdivision of Saint George, offering 1,761 square feet of thoughtfully designed living space. The heart of the home is the kitchen, featuring 3 cm granite countertops and stainless-steel appliances that make it as functional as it is beautiful. A separate dining room and a spacious living room give you plenty of room to gather, while the primary suite offers a private en-suite bath, walk-in closets and a ceiling fan for everyday comfort. Both bathrooms have been completely renovated with modern fixtures and finishes. Recent upgrades take the guesswork out of homeownership: a brand-new architectural shingle roof, new AC and fresh paint throughout the interior and exterior. Outside, you'll find a rear carport and a generous 0.39-acre lot with plenty of room to enjoy.
