Beautiful 3-bedroom, 2-bath brick home overlooking the 16th tee box at Fennwood Hills Golf Course. There is no HOA and no flood insurance required. The large main living area flows into a separate dining room and updated kitchen with a peninsula, granite countertops, and wall oven. New flooring, updated interior paint, and a roof that is only four years old (2022) add to the appeal. The home has split bedrooms for added privacy. The home offers generous walk-in closets, a large fenced backyard, and a brick detached storage shed. The large covered patio is great for enjoying the golf course views in the shady backyard. A circle driveway and double-brick wall (exterior layer & interior layer) for added insulation complete this well-maintained home.
