4 Bedrooms | 3 Bathrooms | 2,876 Sqft

Spacious home with a pool offering 4 bedrooms, a bonus room and 2,877 square feet of living area! Crown molding flows throughout the home, with wood flooring in the living room, dining room and primary bedroom. A wall of windows fills the living room with natural light and provides views of the covered patio and pool. The versatile den can be used as a media room, game room or hobby space and includes a half bath, utility/storage room and closet. Stairs from the den lead to an additional bedroom with its own full bath, offering another flexible space that could also serve as a bonus room or private guest suite. Outside, the oversized covered patio and pool create the perfect place to relax, entertain and enjoy the backyard.
