4 Bedrooms | 3 Bathrooms | 2,072 Sqft

This spacious 4-bedroom, 3-full-bath home, built in 2020, offers a thoughtfully designed split floor plan with an open layout ideal for everyday living and entertaining. The main living area features vinyl flooring, recessed lighting, crown molding, ceiling fans, and a fireplace, while the kitchen offers stainless steel appliances, ample cabinetry with hardware, undermount sinks, a large island, and pantry. The adjoining dining area provides easy access to the rear porch for added indoor-outdoor living. The private primary suite is tucked away from the secondary bedrooms and features a spacious bath with dual vanities, a separate tub and shower, and generous closet space. Bedrooms 2 and 3 are located together with convenient access to a full bath, while Bedroom 4 is positioned near the front of the home with another full bath nearby, offering flexibility for guests, a home office, or additional living space. A 2-car garage adds everyday convenience. Conveniently located in Gonzales with easy access to shopping, dining, and major roadways. Owner occupied; appointment scheduling is required for all showings.
