4 Bedrooms | 2 Bathrooms | 2,128 Sqft

Welcome home to this beautiful 4-bedroom, 2-bathroom manufactured home offering the ideal blend of spacious indoor living and outdoor tranquility. Situated on approximately 2 acres of land, this property provides all the elbow room, privacy, and peaceful scenery you have been searching for. From the moment you arrive, the incredible outdoor living areas stand out. You can relax with your morning coffee on the large covered front porch, or host weekend gatherings on the expansive, full-length back patio that overlooks your private acreage. As an added bonus, exterior storage shed is included with the home, giving you immediate space for all your lawn equipment, tools, and extra storage needs. Inside, the home features a functional split floor plan designed for maximum comfort and privacy, separating the primary suite from the secondary bedrooms. Dual living spaces give you plenty of flexibility, with both a spacious main living room and a comfortable den that can easily serve as a media room, home office, or playroom. Heart-of-the-home cooking is a breeze in the kitchen, complete with a center island and a classic window set right above the sink to take in the views while you work. Whether you are looking for room to grow, space for outdoor hobbies, or simply a peaceful retreat to call your own, this Livingston home delivers.
